**THIS IS
WHY.**

Smaller Class Sizes

CAF allows for a more personalized learning experience for every Carlmont student by reducing class size in core classes.

More Class Choices - CAF funds 17 additional classes to provide more options:

Intro to Biotech	Leadership	Intro to Business
Journalism	Digital Arts I	AVID
AP Spanish	AS English I	Intro to CompSci
Pre-Calculus Honors	AP European History	Media Arts (Eng II)
Race, Immigration & Ethnicity in the US	Instrumental music (4 sections)	

More Counselors

CAF fully funds an additional counselor, reducing the case load of each counselor by 50 students and allowing for more individualized attention on the “whole” student. Counselors do everything from academic advising to mental health support.

More Support for College & Career Center

CAF funds Carlmont’s College and Career Assistant who organizes workshops, college visits, etc. and reduces the caseload for our academic counselors. CAF also funds one on one college essay assistance for Seniors.

More Investment in Teachers

CAF funds dedicated time for cross-department collaboration and classroom curriculum supplies. CAF also provides funds for the PTSA mini-grant program.

Creative and Enrichment Programs

CAF helps to fund Sojourn to the Past and Vocal Music along with the creative courses such as Instrumental Music, Media Arts, and Digital Arts.

Increased Carlmont Student Support

CAF helps to fund the AVID program, the After-School Tutoring Center, a Bilingual English Learner Aide, provides Scholarships to outstanding all-around students, and funds the PSAT for all sophomores and juniors.
